

Naturo™ – Woodgrain Finishes

Naturo™ brings a collection of premium finishes to the Mydek non-combustible decking range. Using real wood grain patterns, Naturo captures the charm of natural timber with the safety and durability of our aluminium deckboards by using an advanced process to infuse the beautiful woodgrain pattern into the surface of the boards coating.

All the beauty of natural timber with all the benefits of durable and aluminium.

Available in a range of 5 colours, Naturo™ lets you enjoy the beauty of natural timber with all the benefits of non-combustible, low maintenance aluminium.
